Ryder Cup Weekend – Final Recap

Gentlemen,

The 2026 Ryder Cup was another tremendous success! Once again, a big thank-you to the committee members from both the Men's and Women's Associations for their collaboration in making this year's event even better.

The weather was perfect — until it wasn't! Despite a little rain toward the end of our celebration on Sunday, it looked like everyone had a great time. Thank you as well to all the players who participated and helped make the weekend such a success.

The Rematch

Captains John Marc Dubois and Bill Murphy had their **Blue Thunder** team throw down the gauntlet to take on the defending **White Lightning** squad, captained by John Haley and John Reagan.

On Saturday, **Blue Thunder** jumped out to an early **9–5** lead over **White Lightning**. On Sunday, **White Lightning** came out ready to make a charge and battled hard, but **Blue Thunder** was relentless, holding off the surge with a **16–12** finish.

Blue Thunder captured the Ryder Cup with a final score of **25–17**.

Stay tuned for **The Rubber Match** next season!

Enjoy the rest of your summer, and we'll see you on the course!

Best regards,
Dave Barcomb
